

# 800 IN-CUP

## PERFECT EVERY TIME...

One-touch, fully automatic operation makes the Select 800 unique, in-cup convenience and a digital display panel makes it easy-to-use, reliability and the latest technology makes it one of the best value-for-money drink machines you can buy.

Holding 610 cups over 11 selections, you can enjoy household names such as Nescafe Gold Blend, PG Tips teabags and Cadburys Chocolate, all with milk and sugar added to your taste. Hygienic, pre-packed in-cup drinks means re-filling the Select 800 is as easy as filling a photocopier – simply open the sealed pack of drinks, load into the carousel, and make your selection – it really is as easy as A B C. The 800 is extremely robust and reliable and can be maintained by anyone with only a basic level of training, so is ideal when you need great coffee with no fuss.

The Select 800 is also available with optional matching base cabinet.
